

Dear Presenter:

Indigenous ACE (Art Culture Education) is part of the Indigenous Cultures Institute Performances Program and participates in the Texas Commission on the Arts Touring Roster. In hiring the above group, you as a nonprofit Presenter may be eligible for partial funding to pay our performance fee, through the T.C.A. Arts Respond Performance Support grant application.

Arts Respond Performance Support is the companion grant program that allows performing arts Presenters in Texas to apply for a portion of the artistic fees for one or more approved companies or artists from the Texas Touring Company and Artist Roster. This is a mini-grant program that can provide a grant to help with these costs. These applications must be submitted in advance of the performance and by the appropriate quarterly deadline:

February 1 *(for activities booked from March 15 through June 14).*

May 1 *(for activities booked from June 15 through September 14).*

August 1 *(for activities booked from September 15 through December 14).*

November 1 *(for activities booked from December 15 through March 14 of the following year).*

We will help you in outlining what costs are included in the fee. The Presenter will contact our company to arrange booking dates and enter into a formal contractual agreement specifying the date(s) of the engagement and fee.

We will provide you with our contract. Please sign this contract and send the original back to our organization. You will need a copy of the contract for your application for T.C.A. funding.

To initiate the application process, please call Texas Commission on the Arts:
